Tuba Bach

Chamber Music Festival

The Tuba Bach Chamber Music Festival, a registered 501(c)(3) not-for-profit organization dedicated to sharing world-class musical entertainment in west Michigan, has chosen to sponsor Tuba Tales, a literacy and musical assembly program, as a year-round educational outreach program throughout Michigan. We believe every child needs and deserves encouragement to imagine, to create, and to READ!!! Therefore, in our attempt to reach as many children as possible, we have created a grant program to help with a percentage of the cost of this exciting and inspiring program.

The goal of Tuba Tales is two-fold: to encourage your students to develop and increase an excitement for reading and writing, and to inspire your children to have confidence with their own imagination and creativity. As an added bonus, the stories chosen for the Tuba Tales assembly program also convey an anti-bullying message.

A Tuba Tales representative will be contacting you soon to answer any questions you may have about the program and scheduling. We hope you will partner with us to share the importance of reading and creativity with Michigan students and teachers.

Thank you,

Frederick C. Guenther, M.D.
